# Quasr Cookie Policy

This Cookie Policy explains how Quasr ("Company," "we," "us," and "our") uses cookies and similar technologies to recognize you when you visit our websites at https://quasr.io/, https://docs.quasr.io and their sub-domains ("Websites"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

Quasr doesn't use cookies to collect any personal information, or that becomes personal information if we combine it with other information.

What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Quasr, are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Online Properties. This is described in more detail below.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie settings. The Cookie settings allow you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with services.

The Cookie settings can be found in the footer on our website. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. You may also set or amend your web browser controls to accept or refuse cookies. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described in the table below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

Essential website cookies:

These cookies are strictly necessary to provide you with services available through our Websites and to use some of its features, such as access to secure areas.

| **Cookie Name** | **Duration** | **Purpose** |
|---|---|---|
| _cqf | 12 months | Used to track functional cookie policy consent by Quasr cookie banner |
| __session | persistent | This cookie is used to determine unique visitors to the site on Gitbook docs. |
| __hstc | 13 months | This is the main cookie for tracking visitors. It contains the domain, utk, initial timestamp (first visit), last timestamp (last visit), current timestamp (this visit), and session number (increments for each subsequent session). |
| __hssrc | End of Session | Whenever HubSpot changes the session cookie, this cookie is also set to determine if the visitor has restarted their browser. If this cookie does not exist when HubSpot manages cookies, it is considered a new session. |

Analytics and customization cookies:

These cookies collect information that is used either in aggregate form to help us understand how our Websites are being used or how effective our marketing campaigns are, or to help us customize our Websites for you.

| **Cookie Name** | **Duration** | **Purpose** |
|---|---|---|
| _cqa | 12 months | Used to track analytical cookie policy consent by Quasr cookie banner |
| _ga | 2 years | This cookie is installed by Google Analytics. The cookie is used to calculate visitor, session, campaign data and keep track of site usage for the site's analytics report. The cookies store information anonymously and assign a random generated number to identify unique visitor traffic. |
| __gitbook_cookie_granted | 12 months | Used to store the cookie consent preferences of the user on Gitbook. |
| GAESA | 2 years | This cookie is related to Google Analytics on Gitbook |

Quasr doesn’t use any advertising cookies, social networking cookies nor beacons.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at legal@quasr.io or by post to:
